

Theses List

Sl.	Faculty	Department	Subject	Year	Total Number of Theses/ A.N.
1.	Veterinary and Animal Science	Medicine and Surgery	Evaluation of inject able anesthetics in cats		101
2.	Veterinary and Animal Science	Pathology	Investigation on the pathological disorders of female reproductive system of buffaloes: A way to explore the possible cause of impaired fertility		102
3.	Veterinary and Animal Science	Pathology	Pathological investigation on trachea and lung lesions of buffaloes in Bangladesh		103
4.	Veterinary and Animal Science	Theriogenology	In vitro maturation and fertilization of oocytes In zebu cattle		104
5.	Veterinary and Animal Science	Microbiology	Isolation and pathogenic characterizations of IBDV isolation from an outbreak of IBD in a rural poultry unit in Bangladesh		105
6.	Veterinary and Animal Science	Anatomy	Immunoglobulin containing plasma cells in the gastrointestinal tract of chickens		106
7.	Veterinary and Animal Science	Poultry	Growth and reproductive performance of synthetic Broiler Breeder (F3)		107
8.	Veterinary and Animal Science	Microbiology	Detection of enterotoxins and shock syndrome toxins producing staph lococcus A areas isolated from human and bovine by reverse later agglutination test		108
9.	Veterinary and Animal Science	Aquaculture	Growth and production performance of mono sex gift tilapia (oreochromis niloticus l.) and common carp (cyprinus carpiol) in		109

			concurrent rice-fish culture system		
10.	Veterinary and Animal Science	Dairy Science	Comparative study on the quality of monde prepared in the laboratory and collected from different sweetmeat stops of mulctagacha and Mymensingh town		110
11.	Veterinary and Animal Science	Anatomy and Histology	Studies on aortic heart valve of indigenous cattle		111
12.	Veterinary and Animal Science	Physiology and Pharmacology	Effects of nutrition on body condition score and hematological profile of cross bred cattle		112
13.	Veterinary and Animal Science	Medicine and Surgery	Study on the prevalence and economic importance of caprine fascioliasis at Sylhet district of Bangladesh		113
14.	Veterinary and Animal Science	Dairy and Poultry Science	Comparative studies on broiler performance on tea leaves, sawdust, rice husk and wood shaving litter		114
15.	Veterinary and Animal Science	Dairy and Poultry Science	Effects of probiotics (protexin boost) on the performance of broiler		115
16.	Veterinary and Animal Science	Anatomy and Histology	Morphological and morphometrical studies on bovine heart valves of indigenous cattle (bos indicus)		116
17.	Veterinary and Animal Science	Physiology and Pharmacology	Comparative efficacy of triclabendazole and nitroxynil preparation against fascioliasis in cattle		117
18.	Veterinary and Animal Science	Physiology and Pharmacology	Comparative efficacy of albendazole, fenbendazole and levamisole against gastrointestinal nematodiasis in cattle		118
19.	Veterinary and Animal Science	Medicine and Surgery	Prevalence and economic impacts of subclinical mastitis in dairy cows		119
20.	Veterinary and Animal Science	Anatomy	Histology and histometry of the thyroid gland of duck (anas platyrhynchos) and chicken (gallus domesticus)		120
21.	Veterinary and Animal Science	Physiology and Pharmacology	Comparative efficacy of two patent drugs (ivermectin, benzyl benzoate) and herbal drug (neem solution) against ectoparasites of goats		121
22.	Veterinary and Animal Science	Physiology and Pharmacology	Comparative efficacy of triclabendazole, nitroxynil preparation against fascioliasis in Goats		122
23.	Veterinary and	Physiology and	Comparative efficacy of fenbendazole and piperazine citrate against ascariasis in		123

	Animal Science	Pharmacology	calves		
24.	Veterinary and Animal Science	Physiology and Pharmacology	The productive and reproductive performances of dairy cows in Sylhet district		124
25.	Veterinary and Animal Science	Physiology and Pharmacology	Comparative efficacy of ivermectin, levamisole hcl and albendazole against gastro-intestinal nematodiasis in goats		125
26.	Veterinary and Animal Science	Physiology and Pharmacology	Effects of vitamin e and vitamin c on mercury induced toxicities in mice		126
27.	Veterinary and Animal Science	Physiology and Pharmacology	Comparative efficacy of three indigenous medicinal plants (neem, turmeric, henna) with a patent drug nebanol against artificially induced wounds in sheep		127
28.	Veterinary and Animal Science	Pathology	Prevalence of avian influenza in domestic scavenging ducks of some selected areas (Sylhet and Savar, Dhaka) in Bangladesh		128
29.	Veterinary and Animal Science	Pathology	Seropevalence of salmonellosis in poultry:isolation, identification and pathological investigation		129
30.	Veterinary and Animal Science	Pathology	Pathological investigation of liver fluke infection of slaughtered goat in Sylhet		130
31.	Veterinary and Animal Science	Anatomy and Histology	Histomorphological studies on the adrenal gland of cattle (bos indicus) and goat (capra hircus) and their comparison with those of duck (anas platyrhynchos) and chicken (gallus domesticus)		131
32.	Veterinary and Animal Science	Physiology and Pharmacology	Effects of albendazole ivermeotin and fenbendazole on gastrointestinal nematodiasis in goats		132
33.	Veterinary and Animal Science	Physiology and Pharmacology	Effects of spirulina in arsenic (As) induced toxicities in guinea pig		133
34.	Veterinary and Animal Science	Physiology and Pharmacology	Effects of urea molasses block on hematobiochemical parameters in goats		134
35.	Veterinary and Animal Science	Genetics and Animal Breeding	Genetic evaluation of performance of black Bengal goat		135
36.	Veterinary and Animal Science	Dairy and Poultry Science	Study on the manufacture and shelf life of mango fruit dahi		136
37.	Veterinary and	Dairy and	Effects of electrol ytes supplied in drinking water on the performance of broilers		137

	Animal Science	Poultry Science	during summer in Sylhet district		
38.	Veterinary and Animal Science	CEDS	A critical analysis of English language proficiency of EFL learners in Sylhet area of Bangladesh.		138
39.	Veterinary and Animal Science	Physiology and Pharmacology	Effects of hematobiochemical changes during egg production of layer birds in sylhet district		139
40.	Veterinary and Animal Science	Physiology and Pharmacology	Effects of probiotics on hemato-biochemical changes and growth performances of commercial broiler chickens in sylhet		140
41.	Veterinary and Animal Science	Physiology and Pharmacology	Comparative efficacy of tylosin tartrate and tiamulin hydrogen fumarate against mycoplasmosis on commercial broiler chicken in sylhet		141
42.	Veterinary and Animal Science	Animal Nutrition and Livestock Management	Effect of phosphorus supplementation on utilization of low quality forages in ruminants		142
43.	Veterinary and Animal Science	Animal Nutrition and Livestock Management	Study on nutritional status of black bengal goat in government goat development farm, sylhet		143
44.	Veterinary and Animal Science	Biochemistry	Effects of spices supplementation to reduce the ammonia nitrogen loss in ruminants		144
45.	Veterinary and Animal Science	Pathology	Prevalence pathological studies of haemoprotozoan infection in pigeon and chicken in selected districts of Bangladesh		145
46.	Veterinary and Animal Science	Dairy and Poultry Science	Status of broiler farming in sylhet sadar upazila		146
47.	Veterinary and Animal Science	Dairy and Poultry Science	Effects of probiotics (saccharomyces cerevisiae) supplementation on milk yield quality and hematology of crossbred lactating cow		147
48.	Veterinary and Animal Science	Medicine and Surgery	Effects of various local analgesics and ketamine for cranial and caudal epidural analgesia in goats		148
49.	Veterinary and	Medicine and	Study on prevalence, identification and drug efficacy against coccidian parasites of		149

	Animal Science	Surgery	broiler chicken		
50.	Veterinary and Animal Science	Medicine and Surgery	Study of cumulus oocyte complexes (cocs) recovery and effects of 9-cis retinoic acid on in vitro embryo production of pigs		150
51.	Veterinary and Animal Science	Medicine and Surgery	Prevalance of mastitis in dairy cows at sylhet region		151
52.	Veterinary and Animal Science	Medicine and Surgery	Prevalence of brucellosis in dairy cattle		152
53.	Veterinary and Animal Science	Medicine and Surgery	Factors responsible for existing diseases in some broiler farms in sylhet district		153
54.	Veterinary and Animal Science	Medicine and Surgery	Comparative story of existing and imposed vaccination efficacy for Gambaro disease in broiler breeder under farm condition		154
55.	Veterinary and Animal Science	Medicine and Surgery	Risk factors of calf rearing: an observational study based on selected dairy farms		155
56.	Veterinary and Animal Science	Genetics and Animal Breeding	Phenotypic characterization of jalali pigeon	June 2102	156
57.	Veterinary and Animal Science	Anatomy and Histology	Gross and histological studies of the left and right testes of rams (ovis aries) in sylhet region	June 2102	157
58.	Veterinary and Animal Science	Anatomy and Histology	Distributions of lymphocytes in the mucosa associated lymphoid tissues (malt) of the digestive and respiratory tracts of layer chickens		158
59.	Veterinary and Animal Science	Anatomy and Histology	Comparative histomorphology of the oviduct between the non-breeding and breeding deshi hens (Gallus domesticus)		159
60.	Veterinary and Animal Science	Microbiology and Hygiene	Identification and antibiogram study of escherichia coli isolated from the fecal samples of wild birds (martin,dove,mayna and parrot)		160
61.	Veterinary and Animal Science	Microbiology and Hygiene	Seroprevalence study of antibody against newcastle disease virus, Salmonella pullorum and Mycoplasma gallisepticum IN broiler chicks		161
62.	Veterinary and Animal Science	Microbiology and Hygiene	Isolation, identification and antibiogram profile of salmonella isolates from a		162

			selected goat farm		
63.	Veterinary and Animal Science	Physiology and Pharmacology	Toxicity studies of the leaves of datura stramonium in rats		163
64.	Veterinary and Animal Science	Physiology and Pharmacology	Study on the productive and reproductive performances of dairy cattle in sunamgonj		164
65.	Veterinary and Animal Science	Physiology and Pharmacology	Comparative efficacy of dovenixand oxynil against fascioliasis of cattle in bhaberchar village of munshigonj	June 2102	165
66.	Veterinary and Animal Science	Physiology and Pharmacology	Comparative efficacy of patent drugs (cypermethrin, ivermectin, monosulfiram) and medicinal plant (mehedi leaves and kalozira oil) preparations against ectoparasite of goat	June 2102	166
67.	Veterinary and Animal Science	Physiology and Pharmacology	Effects of spirulina in arsenic (As) induced toxicities in mice		167
68.	Veterinary and Animal Science	Physiology and Pharmacology	Effects of spirulina in lead induced toxicities in mice		168
69.	Veterinary and Animal Science	Microbiology and Hygiene	Identification of local strains of foot and mouth disease virus in sylhet district		169
70.	Veterinary and Animal Science	Microbiology and Hygiene	Bleeding efficiency and bacteriological quality assessment of raw beef collected from different local markets of sylhet sadar.	June 2102	170
71.	Veterinary and Animal Science	Microbiology and Hygiene	Identification and antibiogram study of salmonella spp. Isolated from wild birds		171
72.	Veterinary and Animal Science	Microbiology and Hygiene	Isolation and identification of bacteria causing subclinical mastitis in sylhet government dairy farm.		172
73.	Veterinary and Animal Science	Microbiology and Hygiene	Isolation. Identification and antibiotic sensitivity study of salmonella isolates from backyard chicken in selected areas of sylhet. Bangladesh.		173
74.	Veterinary and Animal Science	Microbiology and Hygiene	Study of microbial contamination of fast food at retail outlets from selected areas in sylhet metropolitan	June 2102	174
75.	Veterinary and Animal Science	Microbiology and Hygiene	Isolation, identification and antibiogram profile of escherichia coli from commercial broiler at sylhet region		175
76.	Veterinary and	Microbiology	Isolation, identification and antibiogram study of escherichia coli from indigenous		176

	Animal Science	and Hygiene	birds in sylhet city		
77.	Veterinary and Animal Science	Microbiology and Hygiene	Humoral immunity level of grand parent flock following newcastle disease virus vaccine at different intervals		177
78.	Veterinary and Animal Science	Animal Nutrition and Livestock Management	Study on milk urea nitrogen of local and crossbred cows in different region of Bangladesh		178
79.	Veterinary and Animal Science	Animal Nutrition and Livestock Management	Study on milk urea nitrogen of dairy cows in relation to breed		179
80.	Veterinary and Animal Science	Animal Nutrition and Livestock Management	Study on nutritive value of limpo grass (Hemarthria Attissima) and production performance in dairy cattle in sylhet region of Bangladesh		180
81.	Veterinary and Animal Science	Animal Nutrition and Livestock Management	Study on milk urea nitrogen in relation to lactation stage of dairy cows	December 2012	181
82.	Veterinary and Animal Science	Poultry science	Study on the present status of pigeon farming in two upazilla of Rangpur district	December 2013	182
83.	Veterinary and Animal Science	Poultry science	Effect of different treated and untreated litter materials of production performance of broiler	December 2013	183
84.	Veterinary and Animal Science	Poultry science	Effect of replacement of maize by different levels of sorghum on the production performance of broiler chicken	December 2013	184
85.	Veterinary and Animal Science	Poultry science	A manual of chemical composition of different feed ingredients used for poultry (internship manual)		185
86.	Agriculture	Agricultural extension education	Empowerment scenario of rural women through income generating activities in south Surma upazila of Sylhet district	December 2013	186
87.	Agriculture	Agricultural extension	Information media used by vegetable growers of Bishwanath upazila under	December	187

		education	Sylhet district	r 2013	
88.	Veterinary and Animal Science	Genetics and animal breeding	Phenotypic characterization of indigenous goose	December 2013	188
89.	Fisheries	Fisheries technology and quality control	Status of Fish drying in two upazilas of Sylhet	December 2013	189
90.	Fisheries	Fisheries technology and quality control	Use of antibiotics in fish ponds and its effects on environment	December 2013	190
91.	Fisheries	Fisheries technology and quality control	Effects of fishing gear of fish biodiversity of Hakaluki HAOX of Bangladesh	December 2013	191
92.	Fisheries	Fisheries technology and quality control	Fish marketing system in Sylhet district of Bangladesh	December 2013	192
93.	Fisheries	Aquatic resource management	Production of Tilapia (<i>Oreochromis niloticus</i>) fingerling in hapa using swim-up fry involving women in the haor region of Bangladesh	December 2013	193
94.	Fisheries	Aquatic resource management	Production of Tilapia advance fingerling in cages involving women in the haor region of Bangladesh	December 2013	194
95.	Fisheries	Aquatic resource management	Comparison of breeding performance of different strains of Tilapia used in the hatcheries in Bangladesh	December 2013	195
96.	Fisheries	Aquatic resource management	Comparative study on nursing of different strains of Tilapia in Bangladesh	December 2013	196
97.	Fisheries	Aquatic resource management	Development of value chain for sustainable Quality Tilapia seed production in cages and its distribution in the haor region of Bangladesh	December 2013	197
98.	Fisheries	Aquatic resource management	Potential of dhela in carp Poly culture system in ponds	December 2013	198
99.	Fisheries	Fish biology and	Reproductive biology of long whiskered	December	199

		genetics	catfish	r 2013	
100.	Fisheries	Fish biology and genetics	Ovarian status and fecundity of spotted snakehead in natural waters of Sylhet	December 2013	200
101.	Fisheries	Fish biology and genetics	Effect of L-Arginine on the growth of Tilapia	December 2013	201
102.	Fisheries	Fish biology and genetics	Reproductive biology aspect of freshwater garfish <i>xenentodon cancila</i> (Hamilton, 1822) found in the river of Sylhet	December 2013	202
103.	Fisheries	Fish biology and genetics	Reproductive biology of captive reared spotted snakehead, <i>channa punctatus</i> (Bloch 1793) Channiadae.	June 2013	203
104.	Fisheries	Fish biology and genetics	Biodiversity of catfish in Sylhet sadar		204
105.	Veterinary and Animal Science	Livestock production and management	Study on growth performance and feed efficiency of crossbred heifer at different ages in Government dairy farm, Sherpur, Bogra.	December 2013	205
106.	Veterinary and Animal Science	Livestock production and management	Management and production systems of beef fattening in Thakurgaon District	December 2013	206.
107.	Fisheries	Coastal and marine fisheries	Study on the factors affecting the availability of marine dry fishes in Chittagong, Bangladesh	December 2013	207.
108.	Fisheries	Coastal and marine fisheries	Temporal distribution of fish assemblage in Karnafully river estuary, Bangladesh	December 2013	208.
109.	Fisheries	Coastal and marine fisheries	Impact of climate change on coastal fisheries communities of south-eastern Bangladesh	December 2013	209.
110.	Fisheries	Coastal and marine fisheries	Temporal distribution of shellfish assemblage in the Karnafully river estuary, Bangladesh.	December 2013	210
111.	Fisheries	Aquaculture	Effects of dietary replacement of fishmeal on growth performance and apparent	December	211

			digestibility co-efficient of climbing perch, <i>Anabas testudineus</i> .	r 2013	
112.	Fisheries	Aquaculture	Status of Aquaculture and livelihood of fish farmer in Golapgonj upazila under Sylhet district	December 2013	212
113.	Fisheries	Aquaculture	Fish marketing channel and livelihood status of arotdars of Maulavibazar district	December 2013	213
114.	Agriculture	Soil science	Effects of different rates of lime (dolochun) on some soil nutrients and yield of potato.	December 2013	214
115.	Agriculture	Soil science	Effects of missing elements (NPS) on the Growth and yield of BRRI dhan 29	December 2013	215
116.	Agriculture	Entomology	Study on the mass rearing, storage duration and field release techniques of egg parasitoid, <i>trichogramma</i> SPP	December 2013	216
117.	Fisheries	Fish health management	Study of endohelminth parasites and their infestations on host, <i>clarias batrachus</i> (Linnaeus)	December 2013	217
118.	Agriculture	Agro forestry	Study on citrus biodiversity at homestead level of Jaintapur upazila in Sylhet district	December 2013	218
119.	Veterinary and Animal Science	Poultry Science	Effect of Replacement of wheat by sorghum on the production performance of broiler	June 2014	219
120.	Veterinary and Animal Science	Poultry Science	Evaluation of commercial broiler feed available in the market of Bangladesh	June 2014	220
121.	Agriculture	Horticulture	Evaluation of Cauliflower Genotypes under different sowing date	December 2013	221
122.	Agriculture	Horticulture	Performance of summer LAB lab bean under varied sowing time	December 2013	222
123.	Agriculture	Horticulture	Evaluation of potato insensitive hyacinth bean genotypes for pod and seed yield	December 2013	223
124.	Agriculture	Horticulture	Production of summer tomato under Sylhet	December	224

			condition	r 2013	
125.	Veterinary and Animal Science	Microbiology and Immunology	Antibacterial sensivity of different stages of guava leaves against Escherichia coli isolated from commercial broilers	December 2013	225
126.	Veterinary and Animal Science	Microbiology and Immunology	Isolation and identification of Escherichia coli from pasteurized milks available in Bangladesh	December 2013	226
127.	Agriculture	Plant Pathology and Seed Science	The influence of plant age on the incidence of red rust of tea	December 2013	227
128.	Agriculture	Plant Pathology and Seed Science	Incidence and severity of red rust (cephaleuros parasitic us karst) disease in tea under different, topographies of some selected tea estates at sylhet region	December 2012	228
129.	Agriculture	Plant Pathology and Seed Science	Effect of shade on the incidence and severity of red rust disease in tea	December 2013	229
130.	Agriculture	Agronomy and Haor Agriculture	Reclamation of soilacidity through lime and fertilizer management for the cultivation of rice var. BRRI dhan 50	December 2013	230
131.	Agriculture	Agronomy and Haor Agriculture	Study on growth and yield performance of rapeseed/ mustard varieties/ lines in Sylhet region	December 2013	231
132.	Agriculture	Agronomy and Haor Agriculture	Agronomic performance of local and high yielding varieties of Boro rice under different age of seedlings	December 2013	232
133.	Agriculture	Agronomy and Haor Agriculture	Effect of relay and traditional methods of sowing on the growth and yield of lentil varieties in lentil-fallow-T.Aman rice pattern.	December 2013	233
134.	Agriculture	Agronomy and Haor Agriculture	Effect of Sulphur and liquid fertilizer on yield and yield components of mustard var. binasarisha 4	December 2013	234
135.	Agriculture	Agronomy and Haor Agriculture	Stydy on different weed management approaches in T.Aman rice in Sylhet region	December 2013	235

136.	Agriculture	Agronomy and Haor Agriculture	Effect of relay and traditional methods of sowing on the growth and yield of pea varieties in pea-fallow-T.Aman rice pattern	December 2013	236
137.	Agriculture	Crop Botany & Tea Production Technology	Physico- morphological features and yield attributes of exotic and local okra cultivars in acid soil	December 2013	237
138.	Agriculture	Crop Botany & Tea Production Technology	Morpho- physiological features and yield attributes of soybean genotypes in acid soil	December 2013	238
139.	Veterinary and Animal Science	Medicine	Fecal egg count Reduction test (FECRT) for assessing the efficacy of commercially available drugs containing levamisole and triclabendazole against naturally infested Gastrointestinal parasites in cattle	December 2013	239
140.	Veterinary and Animal Science	Medicine	Retrospective studies on diseases and management practices of pet-dogs in metropolitan Sylhet city	December 2013	240
141.	Veterinary and Animal Science	Medicine	Study on hum oral immunoresponse of IBD live vaccine on broiler chicken through the different routes of vaccination	December 2013	241
142.	Veterinary and Animal Science	Pharmacology and Toxicology	Efficacy of anticoccidial drugs and its impact on growth parameters in broiler chicken	December 2013	242
143.	Veterinary and Animal Science	Pharmacology and Toxicology	Present status of coccidiosis in broiler and its control measures at Bogra district	December 2013	243
144.	Veterinary and Animal Science	Pharmacology and Toxicology	Comparative efficacy of neem and ivermectin against ectoparasites of cattle at Sylhet	December 2013	244
145.	Veterinary and Animal Science	Pharmacology and Toxicology	Comparative efficacy of piperazine citrate and levamisole against naturally infected ascariasis in black Bengal goat	December 2013	245
146.	Veterinary and Animal Science	Physiology	Effects of probiotics and enzymes of growth performance and hematological parameters in broiler chickens	June 2014	246
147.	Veterinary and	Physiology	Effects of natural and commercial probiotics on live weight and	June	247

	Animal Science		hematobiochemical parameters in broiler	2014	
148.	Veterinary and Animal Science	Physiology	Effects of commercial layer feed supplementation on hematological and reproductive parameters of indigenous duck in rural area	June 2014	248
149.	Veterinary and Animal Science	Physiology	Effects on enzyme and vitamin supplementation on LWE weight and hematobiochemical parameters in broiler	June 2014	249
150.	Agriculture	Horticulture	Evaluation of sweet potato genotypes under varied harvesting stage and planting time	June 2014	250
151.	Agriculture	Horticulture	Studies on heterosis for heat tolerance in tomato	June 2014	251
152.	Agriculture	Horticulture	Evaluation of tomato genotypes for winter and summer production	June 2014	252
153.	Veterinary and Animal Science	Medicine	Comparative efficacy of live Newcastle diseases vaccines in pigeon	December 2014	253
154.	Veterinary and Animal Science	Medicine	Prevalence of colibacillosis of commercial broiler in kishoregang region	December 2014	254
155.	Veterinary and Animal Science	Poultry Science	Nutrient availability and body composition of adult giribaz pigeon (<i>Columba Livia</i>) and meat yield characteristics of their squale.	December 2014	255
156.	Veterinary and Animal Science	Microbiology and Immunology	Isolation and identification of common fungal spp. from commercial broiler feeds available in market of sylhet	June 2014	256
157.	Veterinary and Animal Science	Microbiology and Immunology	Studies on <i>Escherichia coli</i> and salmonella from broiler feed samples collected from broiler farms in sylhet with antibiogram profile	June 2014	257
158.	Veterinary and Animal Science	Pathology	Pathological investigation and vaccine efficacy of infectious bursal diseases in cockrel at Comilla district	June 2014	258
159.	Veterinary and Animal Science	Pathology	Isolation and pathological investigation of colibacillosis in broiler at Sylhet district	June 2014	259

160.	Veterinary and Animal Science	Pathology	Seroprevalence of Newcastle disease in different vaccine and pathology of clinically affected birds	June 2014	260
161.	Veterinary and Animal Science	Pathology	Investigation of peste des petits ruminants in goat in Sylhet region	June 2014	261
162.	Agriculture	Genetics and Plant Breeding	High frequency plant regeneration of field mustard (<i>Brassica campestris</i>)	December 2014	262
163.	Agriculture	Genetics and Plant Breeding	In vitro screening of brassica species for heavy metal tolerance	December 2014	263
164.	Fisheries	Fish Health Management	Status of fish health management and the responsible use of drugs and chemicals in North-Eastern Bangladesh	December 2014	264
165.	Fisheries	Aquatic Resource Management	Comparative study on length weight relationship and condition factor between hormone treated and non-treated Tilapia (<i>Oreochromis Niloticus</i>)	December 2014	265
166.	Fisheries	Aquatic Resource Management	Present status of fish marketing channel with special emphasis on wholesale and retail market in Sylhet district	December 2014	266
167.	Fisheries	Aquatic Resource Management	Impact of fish biodiversity on the livelihood of fishers in the haor region of Bangladesh	December 2014	267
168.	Fisheries	Aquatic Resource Management	Comparison of production performance and economics between mono-sex and mixed-sex Tilapia (<i>Oreochromis Niloticus</i>)	December 2014	268
169.	Fisheries	Aquatic Resource Management	Study on factors affecting the wetland biodiversity in the haor region of Bangladesh	December 2014	269
170.	Veterinary and Animal Science	Parasitology	Investigation of gastrointestinal parasites of scavenging ducks at Sadar upazila in Sylhet district	December 2014	270
171.	Veterinary and Animal Science	Parasitology	Investigation of parasites of regions in Sylhet metropolitan areas	December 2014	271

172.	Fisheries	Coastal and Marine Fisheries	In relation to climate change adaptation: assessing the potentiality of cage culture of <i>mystus gulio</i> in Noakhali coast, Bangladesh	December 2014	272
173.	Fisheries	Coastal and Marine Fisheries	Temporal distribution of fish assemblage in the Sangu river estuary, Chittagong with special reference to some environmental parameters	December 2014	273
174.	Fisheries	Coastal and Marine Fisheries	Seasonal variation of phytoplankton and zooplankton in the tidal Sangu river with special reference to some environmental parameters	December 2014	274
175.	Fisheries	Coastal and Marine Fisheries	Temporal distribution of shellfish assemblage in the Sangu river estuary, Chittagong with special reference to some environmental parameters	December 2014	275
176.	Fisheries	Coastal and Marine Fisheries	Culture potentiality of <i>mystus gulio</i> in salinity intrusion prone areas of Noakhali coast Bangladesh	December 2014	276
177.	Fisheries	Coastal and Marine Fisheries	Analysis legal framework for sustainable management of marine and coastal living resources in Bangladesh	December 2014	277
178.	Fisheries	Fish Health Management	Endoparasitic infestation in <i>channa punctatus</i> (Bloch, 1793) collected from different water bodies in sylhet region	December 2014	278
179.	Fisheries	Aquaculture	Survey on commercial fish feed ingredients and feeds available in Sylhet Sadar	December 2014	279
180.	Fisheries	Aquaculture	Monthly variation of gut fauna and flora of <i>meni</i> fish (<i>Nandus nandus</i>) in Kawadighi haor of Sylhet division	December 2014	280
181.	Fisheries	Aquaculture	Status of fish production and biodiversity in Kawadighi haor of Moulvibazar district	December 2014	281
182.	Fisheries	Aquaculture	Study on drugs and chemicals used in	December	282

			Aquaculture of Zakigonj upazilla, Sylhet	r 2014	
183.	Fisheries	Aquaculture	Constraints and prospects of fish farming in Lalmonirhat district	December 2014	283
184.	Fisheries	Aquaculture	Study on the Aquaculture activities in fenchugonj upazilla under Sylhet district	December 2014	284
185.	Fisheries	Aquaculture	Macroscopic and microscopic characteristics of ovarian status of female veda fish (<i>Nandus nandus</i>)	December 2014	285
186.	Fisheries	Aquaculture	Effect of nutrient management on plankton community in pond environment	December 2014	286
187.	Fisheries	Aquaculture	Fish farming system and livelihood status of fish farmers in Sylhet district	December 2014	287
188.	Fisheries	Aquaculture	Effect of feed and fertilizer on production of monosex <i>Tilapia</i> (<i>O. niloticus</i>) farming in pond	December 2014	288
